

## 4 to 5 Seconds Book Launch Team

### **\*\*Exciting Book Launch Announcement: "Empathy" by 4 to 5 Seconds! \*\***

We are thrilled to announce the release of *Empathy* by 4 to 5 Seconds, the first book in an inspiring series, 30 years in the making.

“That sounds like such a powerful and inspiring story! Bobby Simms’s journey, from spending more than 30 years in prison to channeling his experiences into something as meaningful as his book *Empathy*, must have been an incredible process of growth and self-discovery. His ability to express himself through poetry and thought-provoking words is truly a testament to the power of resilience and creativity.

I’d love to know more about the themes in his book. Does *Empathy* dive into his personal experiences, or is it more about the city he once loved? What are some of the key messages or emotions he explores through his poetry?” stated by Tim Smith, US Special Forces.
